PROGRAM GUIDE

“An incomparable value and an intelligent choice.” That’s the My Wesson program.

At Wesson we listen to our loyal customers. People who have stayed with us and appreciate the many advantages we have to offer. People like you.

In this spirit, we’d like to introduce you to a brand new program called **My Wesson**. It’s everything you’re looking for when it comes to your home comfort — especially designed to provide you with price protection, consistent payments, maximum comfort system efficiency, security and peace of mind.

The **My Wesson** program includes a ceiling price to protect our customers from potentially fluctuating fuel costs. This is only one of the many reasons why the **My Wesson** program is an incomparable value and an intelligent choice.

The **My Wesson** program’s ceiling price can protect customers from fluctuating market price conditions, all season long. Plus, if the market price falls below your ceiling price, you pay the lower rate!

When you enroll in the My Wesson program, you are automatically entitled to all the following services, extras & rewards:

Valuable Services

The My Wesson Program Ceiling Price and Monthly Payment Plan — You’ll lock into a ceiling price, which is the most you’ll pay all heating season — if the market cost of fuel goes

down, you will receive the lower price! Plus, all of your payments will be spread out evenly, month after month. That means no surprise increases ... and no more surprise bills!

6% Interest Rebate On Any Credit Balance for Electronic Funds Transfer customers, calculated monthly — it’s better than what your money earns in the bank! Check or credit card customers earn a **big 4%**!

My Wesson Service Agreement — You’ll enjoy maximum comfort system efficiency and be shielded from unexpected, out-of-pocket costs, because the **My Wesson** program covers major repairs and preventive maintenance on your heating and hot water systems. You will also receive an **Automatic \$250 in Service Agreement Rewards** to use toward the cost of equipment upgrades or replacement — immediately after you enroll!

My Wesson Loyalty Rewards — For every year enrolled in the **My Wesson** program, you’ll earn **\$50 more in Loyalty Rewards!** You can use these toward our advertised specials (watch for them in the mail), or equipment purchases and installation from Wesson. The rewards can really add up with the **My Wesson** program!
